

About the author...

Karen Adamedes has created the CODE to career success. An author and business executive, Karen's experience includes sales, marketing, management, sales operations and business development in the telecommunications, advertising and digital media industries.

Karen has developed many practical solutions to the challenges facing Career Chicks in today's competitive environment.

She has also been known to use the emergency-only Career Chick Hot Tip in Chapter 4 on more than one occasion.

Get the book. Unlock the CODE. It's a wonderful read, full of real insights that often take years of trial and error to learn. But more than that, it provides over 200 practical and easy-to-implement Career Chick Hot Tips to achieve career success.

“ *Here is a book that gives some insights and tools to make sure that you are empowered to create your own destiny. It will put you clearly in the driving seat.* ”

Naomi Simson
Founder & Chief Experience Officer, RedBalloon

“ *An outstanding, easy to read guide not just for women, but for anyone. Written in a constructive style, this should be at hand to help anyone facing leading and management challenges in the workplace.* ”

Rosemary Howard
Executive Director & Conjoint Professor
AGSM Executive Programs, Australian School of Business, UNSW

Sneak Peek...

On the surface everything looks as it should for career prospects in the world of business. Men and women pursue their careers with equal vigour and the opportunities for career success are available to all. Men and women have the same access to training, roles, promotions and salaries. Rewards and success are based on merit and dependent only on the knowledge, skills, experience and effort that each individual applies to his or her role. However, all is not as it seems.....
