

What people are saying about ...

Hot Tips for Career Chicks®

by Karen Adamedes

The new guide for women who want to get ahead in business.

Endorsements:

“ Here is a book that gives some insights and tools to make sure that you are empowered to create your own destiny. It will put you clearly in the driving seat. ”

Naomi Simson
Founder & Chief Experience Officer, RedBalloon

“ An outstanding, easy to read guide not just for women, but for anyone. Written in a constructive style, this should be at hand to help anyone facing leading and management challenges in the workplace. ”

Rosemary Howard
Executive Director & Conjoint Professor
AGSM Executive Programs, Australian School of Business, UNSW

Reviews:

“ I've read the book twice. It will save women starting out in their careers a lot of angst to read it and older women any further angst. ”

Kate Southam, Daily Telegraph, November 21, 2009

“ Tips not just for career chicks ... an easy to read manual with more than 200 tips for women ... ”

Mosman Daily, 8 October 2009

“ It's a great insight into how to climb the corporate ladder and provides a framework of what is important for career success and practical tips to make it happen. ”

Valerie Khoo, Journalist, Productivity plus+, Business and Careers Institute

Readers:

“ Most of these “personal growth” books I find pretty boring but this one made me smile too. ”

Customer Review / 12/11/2009 / fishpond.com.au ☆☆☆☆☆

“ Forget stuffy training manuals, this book is really easy to read and understand. ”

Customer Review / 16/11/2009 / fishpond.com.au ☆☆☆☆☆

“ Fantastic. Have made everyone in my office buy a copy. Easy to read & easy to relate to – a must buy for males & females. ”
